|                               | Whether Applicable or not (Yes/No) | (%) loss      |
|-------------------------------|------------------------------------|---------------|
| State Transmission losses     | Yes                                | <b>2.34 %</b> |
| Distribution Licensees losses |                                    |               |
| Any other losses              |                                    |               |

## 10. Transmission charges (besides Regional Transmission charges)

|                            | Whether Applicable or not (Yes/No) | Rate (Rs./MWh)                                                   |
|----------------------------|------------------------------------|------------------------------------------------------------------|
| State Transmission Charges | Yes                                | Rs.126.55/MWh                                                    |
| Distribution Licensees     |                                    |                                                                  |
| Scheduling Charges         | Yes                                | Rs. 160 per day                                                  |
| System Operation Charges   | Yes                                | Rs.1.41 per MW per hour subject to a ceiling of Rs.500/- per day |

**Declaration:****It is hereby certified that:**

- We have “No Objection” to seeking and availing Open Access by **M/s E.I.D Parry (India) Limited, HTSC 001, Pugalur**, through Power Exchange upto the MW ceiling as specified above, in accordance with applicable regulations of CERC/TNERC.
- We have the required infrastructure for energy metering and time block wise accounting in place. The State/ Distribution licensee network has the required transfer capability for transfer of power as per specified ceiling.
- The Transmission Charges for the use of State/Distribution Licensee network and Operating Charges for the State Load Despatch Centers shall be directly settled by Power Exchange with us.
- The State Utility designated for the purpose of collection/disbursement of UI charges shall be responsible for timely payment of State’s composite dues into the Regional Pool Account.
- Any mismatch between the Scheduled and Actual drawal/injection for the intra-State Entity shall be determined by us and will be covered in the intra-State UI accounting scheme, or as applicable.
- The Reactive Energy Charges shall be governed by the Regulations applicable within the State.
- We shall disburse the Transmission Charges for use of the State/Distribution Licensee Network to the State Transmission Utility /Distribution Licensee directly.
- We shall inform the total import and export capability of the State as a whole to all concerned. Attempt shall be made to declare this in advance through our website.
- Any change in the contents of the Standing Clearance/NOC shall be conveyed to the party to whom Standing Clearance/NOC was given, latest by 10 Hrs. of the day prior to the day of transaction. In such cases, the Power Exchange(s) shall also be informed simultaneously.
