Sub: TANGEDCO – CERC's Open Access Regulation – Implementation of National Open Access Registry (NOAR) – commencement of Registration with NOAR platform for STOA in Inter-State Transmission System – details to be uploaded by the customers – instructions issued – Reg.

Ref: 1) Lr.No.CE/GO/SE/CO/EE/OA/AEE-2/F.NOAR/D.185/21, Dt. 22.12.2021.
2) POSOCO's letter dt.29.10.2021 & 07.04.2022.

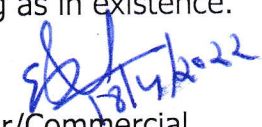

The Hon'ble Central Electricity Regulatory Commission (CERC) has notified the amendment to the CERC (Open Access in Inter-State Transmission) Regulations, 2008 by introducing National Open Access Registry (NOAR), a common electronic platform for short term open access. (copy enclosed)

In continuation to the above, National Load Despatch Centre (NLDC) has developed the NOAR web portal (<https://noar.in/landing>) and requested all entities to register in the web portal for availing short term open access in Inter-State transmission system. For the above registration process, the meter details and meter diagram have to be uploaded by the customers along with other details.

Therefore, the Chief Engineers of Distribution Region are hereby requested to inform the Superintending Engineers concerned to issue the following certified details to the EHT/HT consumers who seek Inter-State Short Term Open Access for registering in the NOAR portal.

- a) Meter details as per the **FORMAT** annexed. (one time)
- b) A single line diagram from the Point of Connection (PoC) to the consumer end mentioning the name of the customer, Service Connection Number, substation, feeder, voltage level, meter location with its associated equipments. (one time)

Further, the Superintending Engineers may be instructed that **HARD COPY** of the No Objection Certificate applied for Open Access shall be communicated to the Generators / Consumers and only the soft copy shall be marked to the Commercial Wing as in existence.
