Lr.No. SE/CO/EE/OA/AEE2/F.NOAR/D. 04 /22. Dt. 07.04.2022

Sub: SLDC – CERC Open Access Regulation 5th amendment – Implementation of **National Open Access Registry** (NOAR) in interstate short term open access transactions – Implemented from May 2022 – Intimation to customers for registration – regarding.

Ref: 1) Hon'ble CERC – Open Access Regulations, 5th amendment.
2) CERC notification No: L-7/105(121)/2007-CERC, Dated: 21.03.2022.
3) Procedure for STOA in Inter-State through NOAR, dt.01.04.2022.

Hon'ble Central Electricity Regulatory Commission has notified the 5th Amendment to the CERC (Open Access in inter-state Transmission) Regulations, 2008 by introducing **National Open Access Registry** (NOAR), a centralized online platform through which the short-term open access to the inter-state transmission system is being managed in India. CERC has also notified that the 5th amendment shall come into force with effect from 01.05.2022 and the short term open access applicants may apply for registration in NOAR prior to 01.05.2022 in accordance with the detailed procedure.

In this regard, the following are informed to the inter-State Short Term Open Access (bilateral and collective transaction) customers.

- i) As per the Hon'ble CERC notification and approved procedures, the inter-State Short Term Open Access customers are requested to apply for registration in the <https://noar.in> web portal.
- ii) For HT consumers, the mandatory documents required to be uploaded in the web portal for registration processes are **Connectivity Certificate, Meter details and Meter diagram**.
- iii) In respect of connectivity certificate, the HT consumers may upload the latest Current Consumption bill. The meter details and meter diagram can be obtained from the respective EDCs of TANGEDCO.
- iv) All relevant documents, help videos, manuals are available in the <https://noar.in> web portal.
